You can say anything  
That I haven't heard before  
So don't you think?  
Your words will be  
The key to open up that door  
Cause I don't need someone to be  
Around to put a smile on me  
And you know it's plain to see  
You only want to get with me, baby

I can't believe that you're try-na get with me  
With all those same old lies  
You say that I'm just like the type of girl but  
I don't have the time to get caught up in your silly game  
I know you're full of lies  
I don't need you in my life

Is there anything you wouldn't say tonight?  
Just to get with me  
Am I gonna have to catch you in a lie?  
I know that I don't really wanna hear the same old lies  
For you to get with me  
Is there anything that you wouldn't do?  
Is there anything you wouldn't say to get with me?

I'm tired of lies  
I'm tired of cheating  
All those foolish lies won't work with me  
Can't get to me talking to sweet  
Cause I know you'd say anything  
To get with me probably have somebody already  
waiting  
Calling me your only girl  
Like you're the only one in the world

I can't believe that you're try-na get with me  
With all those same old lies  
You say that I'm just like the type of girl but  
I don't have the time to get caught up in your silly game

I know you're full of lies  
I don't need you in my life

So tell me...

Is there anything you wouldn't say tonight?  
Just to get with me  
Am I gonna have to catch you in a lie?  
I know that I don't really wanna hear the same old lies  
For you to get with me  
Is there anything that you wouldn't do?  
Is there anything you wouldn't say to get with me?

Do you really think I'd fall for that this time?  
Do you really think I'd never realize?  
Do you really think you'd have the chance?  
To come at me again with those lies  
All I wanted was to fall in love  
I think I've really had enough  
See I've seen it all before  
So you'd better close the door before it hits you in the  
back  
This time baby!

Get with me, get with me  
I don't need you in my life

Is there anything you wouldn't say tonight?  
Just to get with me  
Am I gonna have to catch you in a lie?  
I know that I don't really wanna hear the same old lies  
For you to get with me  
Is there anything that you wouldn't do?  
Is there anything you wouldn't say to get with me?
