How very special are we  
For just a moment to be  
Part of life's eternal rhyme  
How very special are we  
To have on our family tree  
Mother Earth and Father Time

He turns the seasons around  
And so she changes her gown  
But they always look in their prime  
They go on dancing their dance  
Of every lasting romance  
Mother Earth and Father Time

The summer larks return to sing  
Oh what a gift they give  
Then autumn days grow short and cold  
Oh what a joy to live

How very special are we  
For just a moment to be  
Part of life's eternal rhyme  
How very special are we  
To have on our family tree  
Mother Earth and Father Time
