{*Brainz Davis hyperventilates then yells*}

[Chorus 2X]

When your body's sweatin bullets
Pacin loaded 'nuff to pull it so
you won't hesitate to pull it niggaaaaah - I'm TEMPER!
I got you 'roid ragin, out your frame, actin crazy
I done turn your sunny day shady, bustaaaaah - I'm
TEMPER!

Hey everybody, I'm that feeling in your body
that be getting people all riled up, to kill somebody
(TEMPER!)
I'm like an adrenaline rush, I might just make you veins
bust!
I hold the record for sendin them niggaz off in them
handcuffs
I blow your TOP, I make you HOT, I make you uglier to
WATCH
Like you some kin to Jekkel Doc, niggaaah!
(AHHHHHHH!)
(TEMPER!) I split marriages, break up any friendships
Because of me, I'll bring the innermost relationships
I got you heated, got you ready to brawl!!
Got you bouncin off the walls like you done lost it all!!!
Got you screamin at the top, "I CAIN'T STAND NEAR TO
Y'ALL!!"
Now you stuck by yourself wit no family to call!
(TEMPER!)
I'll make you remember about some shit back in the
past
Now you ridin down the street to go kick somebody's
ass!!
I'll make you wake up in the wrong side of the sack
with STRESS splattered on your back
Ready to go and get the Mac and RAT-TAT-TAT!
DAMN!!

[Chorus 2X - w/ angry yells in background]

I just, LOVE IT when I be fucking wit Mr. Davis

He a Gemini, that's easy access - man, I'm the
greatest!
I ain't Ali, but I sting like a bumble
As long as snakes stay in the grass
I could last, cause his day won't be humble
I made him rumble and tumble, I seen his whole life
crumble
Now he's stuck behind BARS, walkin through a dark
tunnel
He usually calm and collected, I ain't respected, I got
him
I'll make him push you off a building and watch you fall
to the bottom!!
He usually calm and collected, I ain't respected, I got
him!!
I'LL MAKE HIM PUSH YOU OFF A BUILDING AND WATCH
YOU FALL TO THE BOTTOM!!!! (Ahhhhhhhhhhh!!!)
I'll have him locked down in anger management class
Bust some shit back in the past
A hundred and fifty-two written assignments he won't
LAST!!
Got a short-wit wit no patience! Pissed off back and
forth pacin!
Time to get it together, it'll get better, but his time
wastin!!
So when his blood boils, give him fifty feet
or YOU GON FIND HIS FEET NEEDED, BUMP YO ASS
WHEN IT'S HEAT, CHEAA!!!!

[Chorus 4X - w/ angry yells in background]

[Brainz Davis - Outro]
