Love took me by the hand
Love took me by surprise
Love led me to you
And love opened up my eyes
And I was drifting away
Like a drop in the ocean
And now I realize that
Nothing has been as beautiful
As when I saw Heaven's skies
In your eyes
In your eyes
And everytime I drift away
I lose myself in you
And now I see that I can be me
In everything I do
'Cause I was feeling as small
As a drop in the ocean
And now I realize that
Nothing has been as beautiful
As when I saw Heaven's skies
In your eyes

In your eyes

Love took me by the hand

Love took me by surprise

And I was drifting away like a drop in the ocean

And now I've realized that

Nothing has been as beautiful

As when I saw Heaven's skies

In your eyes

In your eyes
