I don't know whose side I'm takin'

But I'm not takin' things too well

I can see inside you're achin'

But is it still too early for me to tell?

(chorus)

I try to help you out through the hardest of times

Your heart is in your throat and I'm speaking my mind

Though it looks as if it's over

I'm still not over you

If only she knew

'Cause I still love you like I did before

I know for sure that you still feel the same way I do

If only she knew

Whoa, if only she knew, oh

I try to let it go

But I don't know if I can take it

'Cause the way you looked at me

Made me see that I can't really fake it

(chorus)

I try to help you out through the hardest of times

Your heart is in your throat and I'm speaking my mind

Though it looks as if its over

I'm still not over you

If only she knew

'Cause I still love you like I did before

I know for sure tht you still feel the same way I do

If only she knew

Whoa

I know she loves you and I can't interfere

So I just have to sit back and watch my world dissappear

Woah

(chorus)

I try to help you out through the hardest of times

Your heart is in your throat and I'm speakin my mind

Though it looks as if its over

I'm still not over you

Oh, I'm still not over you

'Cause I still love you like I did before

I know for sure that you still feel the same way I do

Whoa

'Cause I will never ever walk away

I'll find a way

She could never love you like I do

If only she knew

If only she knew, oh yeah
