I don't know whose side I'm takin'
but I'm not takin' things too well
I can see inside you're achin'
but is it still too early for me to tell?
I try to help you out
through the hardest of times
your heart is in your throat
and I'm speakin my mind
though it looks as if it's over
I'm still not over you
if only she knew
I try to let it go
but I dont know if I can take it
cause the way you looked at me
made me see
that I can't really fake it
I know she loves you and I can't interfere
so I'll just have to sit back
and watch my world disappear
