Sometimes

We get second chances

And sometimes

We never make it past the first

It really makes you wonder

Why some things happen

When they do

It really makes me wonder why it wasn't me

Instead of you

And when you say

"It doesn't matter"

Well it does

And all it takes

Is a mistake to eat your words

Just one more time

I think I'll drive on home tonight

Sometimes

we never see the warning

and the voice in your head tells you not to go

It really makes me wonder why some things happen

When they do

It really makes me wonder why it wasn't me

Instead of you

And when you say

It doesn't matter

Well it does

And all it takes

Is a mistake to eat your words

Just one more time

I think I'll drive on home tonight

And when you look its gone

its too late to turn around

and its another day facing yourself

Ad the things that you've done

woah-oh-oh-ohhh

ohhh, woah...

And when you say

"It doesn't matter"

Well it does

And all it takes

Is a mistake to eat your words
