Cant you see?

theres a feeling that's come over me

close my eyes

you're the only one that leaves me

completly breathless

No need to wonder why

sometimes a gift like this you can't deny

CHORUS

cause i wanted to fly

so you gave me your wings

and time held its breath so i could see

yeah

and you set me free

theres a will

theres a way

sometimes words just can't explain

this is real

i'm afraid

i guess this time there' s just no hiding

fighting

you make me restless

You're in my heart
the only light that shines
there in the dark

CHORUS

when i was alone
you came around
when i was down
you pulled me through
and there's nothing that
i wouldn't do for you

CHORUS
