When the road gets dark  
And you can no longer see  
Let my love throw a spark  
And have a little faith in me

And when the tears you cry  
Are all you can believe  
Give these loving arms a try babe  
And have a little faith in me

And have a little faith in me  
And have a little faith in me  
And have a little faith in me  
Have a little faith in me

And when your secret heart  
Cannot speak so easily  
Come here darlin'  
From a whisper start  
To have a little faith in me

And when your back's against the wall  
Just turn around and you will see  
I will catch your fall  
Have a little faith in me

And have a little faith in me (x4)

When the road gets dark  
And you can no longer see  
Let my love grow a spark  
Have a little faith in me

And have a little faith in me (x4)

I've been loving you for such a long time, girl  
Expecting nothing in return  
Just for you to have a little faith in me  
You see time, time is our friend  
Cuz for us there is no end  
And all you gotta do is have a little faith in me

I will hold you up, I will hold you up  
Your love gives me strength enough

Have a little faith in me
