Be My Life

It's her love

That kept me strong through all the hard times in my
life.

It's her love,

I thought nothing could change me,

But she's the one that saved me,

With her love.

Stay in my life don go away

My feeling have staying all this way

Every second only I think about you

Oo girl ma love is honestly true

Be ma girlfriend I wana stare you

When I don look your face

My heart beat like a race

You the girl I choose out all the rest

I had a crush on you n you are the best

Even I look you by your side

I don know wats in your mind

But man like is hard to find

Yoooo... HARD to find

Don know why I fail to try

I don knw why I feel shy

When I saw you nearby

OO girl BE MY LIFE...

It's her love

That kept me strong through all the hard times in my
life.

It's her love,

I thought nothing could change me,

But she's the one that saved me,

With her love.
