Shiva Jatt Mafia (First Verse)

You think You Can do anything
But you can't do a thing
Except making me cry
Or waiting for you
Just think what you got
You ain't sure about something
Baby I ain't forget
Remember everything
Every word you said to me
It's make me breaking this
If you are on your way
Had many thing to say
But no words to convey
It's ma feeling that no longer I can hide

Shiva Jatt Mafia

Chorus

If you Think that you on your way
M on ma way
Now what to say
JUST STAY AWAY

Je Tenu Lagda tu rah apne mai v apne rah
Te tu v apne raah
