If you walk out that door
Don't wait by the phone
If this is what you really want
I'm gonna show you how it feels to be alone
Won't see me crying, I ain't gonna beg
I'll quit ya cold turkey

You say I'm stubborn and cold, and I'm full of pride
But there's no turning back once I make up my mind
If you leave me
I'll have to quit ya cold turkey
Won't see me crying and I ain't gonna beg
I'll quit ya cold turkey

Cold turkey, cold turkey, cold turkey
Cold turkey, cold turkey, cold turkey
May not forgive but I'll quickly forget
I'll quit ya cold turkey

If you think you can't test me
I'm a woman of my word
I believe in second chances
But you'll never catch me giving anybody a third
May not forgive but I'll quickly forget
I'll quit ya cold turkey

Cold turkey, cold turkey, cold turkey
Cold turkey, cold turkey, cold turkey
Won't see my cryin' and I ain't gonna beg
I'll quit ya cold turkey

Now ladies if you're trying to get over that man
The surest way
Is to get under another one as soon as you can
If he's gonna leave you
You quit him cold turkey

Cold turkey, cold turkey, cold turkey
Cold turkey, cold turkey, cold turkey
Won't see my cryin' and I ain't gonna beg
I'll quit ya cold turkey

May not forgive but I'll quickly forget
I'll quit ya cold turkey
If you wanna leave me
I'll quit ya cold
