Break down the door,
Slip through the window,
Climb down the chimney,
To the house of love.
Use every option.
Try every lock and key.
Just step inside;
You'll see
In the house of love.

Oh baby,
Take a train.
Take a train.
Take an aeroplane.
Take a bus.
Take a boat.
Stay afloat.
Don't stop believin'
In the house of love.
Oh baby,
Look around.
Look around.
Look up and down
From the sky
To the ground
Till you found it.
Keep on believin'
In the house of love.

Search every angle.
Check twice for any old clue.
Hold what is dear to you.
House of love.
It ain't no mystery;
Once known but now concealed.
True love will be revealed
In the house of love.
Oh baby,
Take a train.
Take a train.
Take an aeroplane.
Take a bus.

Take a boat.
Stay afloat.
Don't stop believin'
In the house of love.
Oh baby,
Look around.
Look around.
Lookin' up and down
From the sky
To the ground
Till you found it.
Keep on believin'
In the house of love.

You may feel tired.
You may feel
Like you've lost your way.
When you're least inspired,
Love is gonna come
And save the day.

Oh, it's love.
Oh love love love love.
Hey, the house of love.
(repeat twice)

hey, oh
ooh
