I will never understand
Those who choose to walk away from love
And I will never understand
Why love can't always be enough

I have yet to find the lesson under all this pain
But one thing I know for certain

I am NOT UNCHANGED
I am NOT UNCHANGED
I am NOT UNCHANGED
I am NOT UNCHANGED

Every day is still a struggle
As I try to hold my head and walk with grace
Knowing there is only purpose
And nothing about us was a mistake

Even though I have yet to find the lesson under all this
pain
There is one thing I know for certain

I am NOT UNCHANGED
I am NOT UNCHANGED
I am NOT UNCHANGED
I am NOT UNCHANGED

You didn't leave me
The same way that you found me
So if I had to find a silver lining
I suppose I'd say that I became
A better me for loving you
So I know that

I am NOT UNCHANGED
I am NOT UNCHANGED
I am NOT UNCHANGED
I am NOT UNCHANGED

I will never understand
Those who choose to walk away from love

And I will never understand
Why love can't always be enough
