Now I was in bed with my man  
Dead asleep last night  
His phone starts ringin', so I turn on the light

I pass him his phone  
From my side of the bed  
I glanced at the screen and this is what it said:

Call from Naomi, Naomi  
Who is she to you?  
He said,

"Naomi, well that's my homie, it shouldn't worry you."

Okay Naomi, Naomi, who the hell are you?  
C'mon Naomi, Naomi, now whatcha tryin' to do?

He had the nerve to roll over and go back to sleep  
I lie awake with my mind racing  
I wanna know why is she calling you?  
Why at a quarter to two?  
Baby boy, you got some explaining to do

Why is there a...

Call from Naomi, Naomi  
Who is she to you?  
He said,

"Naomi, well that's my homie, it shouldn't worry you."

Okay Naomi, Naomi, who the hell are you?  
C'mon Naomi, Naomi, now whatcha tryin' to do?

Is she cute? Is she thin?  
And how long has it been since you've seen  
Your homie, Naomi, your friend?  
Does she know about me?  
Cause I'm not recalling ever hearing her name

Who is Naomi, Naomi, and why's she callin' you?  
Tell that Naomi, tell Naomi, I'm lying here with you  
Ain't that Naomi, ain't Naomi  
Got nothin' else to do?  
This is Naomi, Naomi, don't make me act a fool

Hey, Why ya calling my man?  
Don't you know I'm lying here with him?  
At two in the morning,  
Don't you make me act a fool, Naomi,  
You don't know me!

Hey Naomi, find a man of your own  
Go ahead and leave mine alone  
Hey Naomi, find a man of your own  
Go on ahead and leave mine alone
