Water
We move like water
Rise and fall together
It carries me away
Water
Move in and out like water
Rise and fall together
It carries me away

My body moves
With the will of your hands
No words are said
But you still understand
Desperately trying to stay on the ground
If I'm not careful I think I might drown
In your

Water
We move like water
Rise and fall together
It carries me away
Water
Move in and out like water
Rise and fall together
It carries me away

Let myself float
And see where it might take me
No over thinking 'cause then I'll start sinking
In too deep losing my sight of the shore
I may be drenched but I'm thirsty for more
You're like

Water
We move like water
Rise and fall together
It carries me away
Water
Move in and out like water
Rise and fall together
It carries me away

But water
Never stays in one place for too long
It constantly moves and changes its form
You can't let go of something that you never held
Still I foolishly cling as you slip thru my fingers
Hoping to keep my head above the

Water
We move like water
Rise and fall together
It carries me away
Water
Move in and out like water
Rise and fall together
It carries me away
