They have clocks, raise your fucking hands, we have time!

On my own, I'll sure be there again. You should recall my name.

This time I won't forsake you.

Anywhere in any place, on my own, I'll meet you there.
How happy is the blameless vestal's lot.

The worlds forgetting, but the world forgot, eternal sunshine of the spotless mind.

Each prayer accepted, each wish resigned.

They have clocks, we have time,

Anywhere in any place, on my own, I'll meet you there.

Come close, leave me alone you'll never recall.

Come close, leave me alone you'll never recall.

Come close,

Come close,

Come close,

Come close.
