I'll own you before your eyes, see clear into my lies.  
Own you before my heart, will spread your forever.  
Are you blind? Are you blind? Now you're blind, will you  
mind?

We all make mistakes, but whatever it takes,  
We'll build our lives on those stakes.  
Wishin' love is by our side,  
Whom I please, I can't recall.

I met a woman once, gave her the best of me,  
What I got in return,  
Is now what's killin' me.

I'll watch the sky, stars fall like dust, dead birds won't  
fly anymore.  
I'll watch the sky, stars fall like dust, dead birds won't  
fly anymore.

You never said goodbye before you closed your eyes.  
So cold inside we've lost our minds.  
Both sons of tragedy, we might have no mercy, we're  
the sons of the misery,  
But that's not what's killin' me.

I'll watch the sky, stars fall like dust, dead birds won't  
fly anymore,  
I'll watch the sky, stars fall like dust,  
I'll watch the sky, stars fall like dust, dead birds won't  
fly anymore,  
I'll watch the sky, stars fall like dust, dead birds won't  
fly anymore.

Hold my hand, we're now free from our chains,  
We can avoid our fate, let the poison propagate.

Oh lord I won't apologize,  
Oh lord I won't apologize,  
You joined hell, but baby,  
You joined hell, but baby,  
You joined hell, but baby,

You joined hell, but baby,  
You joined hell, but baby,  
You joined hell, but baby,  
You joined hell, but baby,  
You joined hell, but baby,  
You joined hell, but baby,  
You joined hell, but baby,  
You joined hell, but baby, I'll find you there
