When you forgive, you love.
And when you love, god's light shines on you.
I've been so long coming 'round.
God forsake me, I can't breath your lies anymore.
Miss me?
Miss me?

If I were smiling, running to your arms, oh mum and
dad, I've been so long coming round.
If I were smiling, running to your arms, oh mum and
dad, I've been so long coming round.
This is the quest of a whole life, don't bring me back.
This is the quest of a whole life, don't bring me back.
Happiness is only real when shared.

Rather than faith, rather than fame, love, money,
fairness.
Rather than pain, rather than hate, purity.
Give me the truth!
Give me the truth.
If I were smiling, running to your arms, oh mum and
dad, I've been so long coming round.
If I were smiling, running to your arms, oh mum and
dad, I've been so long coming round.
If I were smiling, running to your arms, would you see
then, what I see now?
If I were smiling, running to your arms, would you see
then, what I see now?
