Chorus:

I walked all over the world and I was glad to be alone
Everywhere I take myself is a place I call my home
I wanted you to come with me, but it feels unlike a roam
I like it now, Now that you're gone.

I don't know what you have to say
I don't know how far you will take it
Everytime and everyplace I go
I feel so, so all alone

Chorus

I don't care where you want to go
I don't care what you have to say
I don't know where you want to be
I don't know how far you will take it

Chorus
