My father's father
Can't you see I'm tryin'?
Mother, ex-boyfriend
Brother of the theater

Even if I know that you're right
I still go on, I still go on
And even if I know that you're right
I still go on, I still go on

Girl friend, sister-friend
I am not a hopeless case
Father of our enemy
Walkin' on easily

Even if I know that you're right
I still go on, I still go on
And even if I know that you're right
I still go on, I still go on

And even if I know that you're right
I still go on, I still go on
And even if I know that you're right
I still go on, I still go on

Can't you see I'm tryin'?
Can't you see I'm tryin'?
Can't you see I'm tryin'?

Even if I know that you're right
I still go on, I still go on
And even if I know that you're right
I still go on, I still go on

And even if I know that you're right
I still go on, I still go on
And even if I know that you're right
I still go on, I still go on

Even if I know that you're right
I still go on, I still go on
And even if I know that you're right

I still go on, I still go on
