You just know it  
There's a wall and you just run through it  
You had too much to drink  
And all those telephone bills but it's worth it

Victoria  
I knew I would end up in Victoria  
I took too many pills  
And wrote my will just to get to you, so go

Ah, ah, ah  
Ah, ah, ah

I need a pencil  
A piece of paper and a lock and a cage  
Feels so much better now  
Getting rid of my rage

I'm suspicious, I'm suspicious  
And I can't get my mind straight  
I just see them when I sleep  
Nowadays, so sleep now and go

Ah, ah, ah  
Ah, ah, ah

It's so new  
Being the one building all the roads  
Can't wait  
To crack all of your codes

Learn to ally  
Allies who know how they love  
And show you how it looks up there  
Well, it looks like a bug, so go

Ah, ah, ah  
Ah, ah, ah

Whatever they say  
We're the ones building walls  
Whatever they say

We're the ones who never say no

To get to know yourself  
You gotta run away  
Never trust anyone  
So run away, run, run, run, run, run, run

Whatever they say  
We're the ones building walls  
Whatever they say  
We're the ones who never say no

To get to know yourself  
You gotta run away  
Never trust anyone  
So run away, run, run, run

Whatever they say  
We're the ones building walls  
Whatever they say  
We're the ones who never say no

To get to know yourself  
You gotta run away  
Never trust anyone  
So run away run, run, run, run, run, run, run
