The ashes on the floor  
The smoke already gone  
Now you can breathe  
And lay your head down  
You know I'm trying not to  
Consume this goddamn poison  
I really wanna make you proud  
I really wanna make you proud

I'm trying yes I'm trying but I'm failing all the time  
And I know that you hate me yes you hate me  
Cause I always let you down  
You can't trust me (you can't trust me)  
I can't trust myself

I'm sorry honey but I think  
That this is our last goodbye  
How the hell did I get into this  
Situation in my life?  
I really wanna make you proud  
I really wanna make you proud

I'm trying yes I'm trying but I'm failing all the time  
And I know that you hate me yes you hate me  
Cause I always let you down  
You can't trust me (you can't trust me)  
I can't trust myself!

In the night I'm awake, I'm awake (I'm awake...)  
In my eyes I see pictures of you and I  
My body is shaking  
I'm sick of lying (I'm sick of lying)  
I'm sick of crying (crying)  
I'm sick of dying  
I'm sick of living on the edge!

I'm trying yes I'm trying  
But I'm failing all the time!  
I really wanna make you proud!  
Make you proud...
