I never stayed away so long  
I've always returned my heart to you  
I've changed my mind  
You stole my heart  
Now I feel brand new  
Now I feel brand new  
Thanks to you (Thanks to you, thanks to you...)

I've changed my mind  
You stole my heart  
Now I feel brand new  
Now I feel brand new  
Thanks to you!

I always pray  
We never part  
I always pray (always pray)  
I always pray (always pray)  
I always pray (I always pray, I always pray, I always  
pray...)  
I always pray (I always pray, I always pray, I always  
pray...)
