A little bit of soap
Will wash away your lipstick on my face
A little bit of soap
Will never, never, never, ever erase
The pain in my heart and my eyes
As I go through the lonely years
A little bit of soap
Will never wash away my tears

A little bit of soap
Will take away your powder from my chin
A little bit of soap
Will never, never, never, ever begin
To take away the hurt that I feel
As I go through the lonely years
A little bit of soap
Will never wash away my tears

Have you heard, when love begins to die
It leaves someone to cry night and day
Like a bird you left your robin's nest
And just like all the rest you flew away

Ooh, a little bit of soap
Will take away your perfume eventually
A little bit of soap
Will never wash away the memory
Of your name in the night
That I call through the lonely years
A little bit of soap
Will never wash away my tears

No, I'll never lose the memory of your name in the night
That I call through the lonely years
A little bit of soap
Will never wash away my tears
A little bit of soap
Will never wash away my tears
Oh, it's never, never, never, never
Gonna wash away my tears
Oh, never wash away my tears
