A little bit of soap
Will wash away your lipsticks on my face.
A little bit of soap
Will never
never
never ever erase
The pain in my heart
In my eyes as I go
Through the lonely years.
A little bit of soap
Will never wash away my tears.

A little bit of soap
Will take away your powder from my chin.
A little bit of soap
Will never
never
never
ever begin
To take away the hurt
That I feel as I go
Through the lonely years
A little bit of soap
Will never wash away my tears.

A little bit of soap
Will take away your perfume eventually.
A little bit of soap
Will never wash away the memories.
And your name in the night that I call
Through the lonely years.
A little bit of soap
Will never wash away my tears.

Have you heard when love begins to die
He isn't gonna cry night and day.
Like us both your problems gonna stay.
And just like all of us

You've to work with me.
A little bit of soap
