One, two - three, four!
Doo-doo - ba-ba - doo-doo - ba-ba

She likes to take Teddy on down the local jive
She's been known to set ev'ry man alive
But it's so hard to get near the love look in her eyes
But once you're there you never want to go

She's a rock 'n' roll lady
Bells upon her toes
She's got rings on her fingers
She can have music
Wherever she goes
Wherever she goes
Wherever she goes

Doo-doo - ba-ba - doo-doo - ba-ba

For the price of a ticket at a picture show
You can hold her hand when the lights are low
But it's so hard to get near the love look in her eyes
But once you're there you never want to go

She's a rock 'n' roll lady
Bells upon her toes
She's got rings on her fingers
She can have music
Wherever she goes
Wherever she goes
Wherever she goes

Doo-doo - ba-ba - doo-doo - ba-ba

She's a rock 'n' roll lady
Bells upon her toes
She's got rings on her fingers
She can have music
Wherever she goes
Wherever she goes
Wherever she goes
