Come night through my door
Waiting, feeling soar
Take me home
First time I saw your face
I knew it was my place
Take me home, take me home
Take me home, take me home

You sit by your window
I know you're thinking of me
I'm leaving tomorrow
Nothing left here to see
Ain't no way of living
For a believer of love
Again I'm complaining
Yeah, I know I'm complaining
What more can I say?
I'm away

Fight them, show your teeth
Grab this by its feet
Claim your space
Leave your ways forgot overseas
Feel that old disease
Take me home, take me home
Take me home, take me home

You sit by your window
I know you're thinking of me
I'm leaving tomorrow
Nothing left here to see
Ain't no way of living
For a believer of love
Again I'm complaining
Yeah, I know I'm complaining
What more can I say?
I'm away

You sit by your window
I know you're thinking of me
I'm leaving tomorrow

Nothing left here to see
Ain't no way of living
For a believer of love
Again I'm complaining
Yeah, I know I'm complaining
What more can I say?
I'm away
