Verse 1:

You've got personality
That's what drew me closer
You're lacking sensitivity
But sure you have my heart now

Prechorus:

So before you think you own me
Take a good look in the mirror
Set your ego down
Get off yourself
Rip your hands up off my figure

Chorus:

Count me out of your plots
Of your dirty little scamming
Back it up. No doubt I'll put up a fight.
Don't forget no regrets
Oh I've learned from my mistakes and
Now I know the wrong things from my right.
Now I know the wrong things from my right

Verse 2:

Sure you've got a lot to say
Promise without action
Selfishness gets in the way
What is this attraction?
