Lonely In Love Music & Lyrics by
Kraig Marshall c 2010

Verse 1:

You can't heal this broken heart
It's too late for I'm sorry
Take these love letters back

Well I've said all that I need to
You're no good for me I should leave you
You turn my red heart black

Chorus:

You don't respect me
You won't protect me baby
We're lonely in love
So maybe one day
When the tears stop falling
We're lonely in love

Verse 2:

I've been down this road before
And I'll walk this road again
Until the next heart breaker comes along

I'm a cat with nine vicious lives
I scratch back when you cut me down to size
So get out of my life cuz you don't belong

Chorus

Bridge:

I walk down this lonely street with my heart still
bleeding on this dirty sleeve
Echoes of your voice still screaming though my
memories
This is for the lovers with our hearts
With our hearts with our hearts torn out
This is for the lovers with our hearts
With our hearts with our hearts torn out
This is for the lovers with our hearts torn out

Chorus
