**Intro:**

It's not my nature to be such a hater  
You turn my smiles into frowns.  
But I keep on trying it's just my disposition  
I won't let us let you bring us down.

**Verse 1:**

When you're calling me  
And I can't hear you  
When you reach for me  
And I won't hold you  
When I'm not responding,  
You move in closer  
I don't want to be your crying shoulder.

**Verse 2:**

When you fell my love  
I'd run to lift you  
Bring your spirits up  
But I only seem strong  
Gave you every part of me  
You used what you wanted  
Now you've damaged me  
Took me for granted

**Chorus:**

This is a love song  
Must I throw it in your face?  
This is a love song  
A song inspired by your hate  
So take a listen  
This is what I have to say  
Here's your love song  
For you to take or throw away.

**Verse 3:**

When you cry for me  
And I won't hold you  
When you long for me  
I can't console you  
I'll just leave you lonely

My heart grows colder  
I'm not gonna be your crying shoulder,

Chorus:

Bridge:

It's not my nature to be such a hater  
You turn my smiles into frowns.  
But I keep on trying it's just my disposition  
I won't let us let you bring us down.

This is a love song (x4)
