Throw your hands in the air for the party goove (repeat 6x)

You wanna see showbiz (get wicked)? (repeat 6x)

And it's the party groove, it's the groove of the party
So girls fix your weave and come shake your body
I'm a lady to me, like crime is to gotti
If you can't afford moët, then drink bicardi
Cause it's all the same there is no shame
I'm a sit back, relax, grab a girl, and kick game
And dre pass the fifth, and that's only if
I crew hold they head, no beef and don't riff
Cause gangsta images show can't get with
And i don't understand (understand what?)
The ignorance (the ignorance) i said the ignorance (the
ignorance)
And now it's time to prove i make you dance to the
party groove

It ain't nothing but a party y'all (repeat 4x)

[a.g.]

You wanna see a.g. (get wicked)? (repeat 8x)

Rap and roll, mix and mingle
Doobie cuts big butts, yeah, but only if you're single
Now it's time for us to jingle
The gift as if my name was kris kringler
We boogie down (in the boogie down)
A.k.a. the bronx, yes my home town
Girls and guys that's good looking
No matter from queens, manhattan, or brooklyn
Stay home alone if you're a pooper
But come out no doubt if you're a trooper
Yeah party with me, you got nothing to lose
The giant saying peace to the party groove
