Verse One:

You know we got it sewn for now  
Cause I throws it down  
Plus I'm frozen down with a golden sound  
Where that lye at?  
I blow blunt backwards nigga try that  
Dat expose these high acts  
To my rap when my gat blow i's more than just about  
rap  
Strong hold a Giant and his fam  
I doubt that gonna make cats flip with or without rap  
But still makin' hits nigga where your mouth at?  
How's that?  
Bounce the track with a rap I doubt you pack  
I'm straight up motherfuck yo cats is out the back  
I must confess I smoke bless  
Blessed to make to the loot investin' my troops  
And holdin' my rests known for chest in arrest  
Home alone with some dame  
Name the weed Sharon cause I'm Stone  
I rock the five the dire  
The next stop is the money train  
See me in the Range then you know that the money  
came

Verse Two:

Wanna be blown retarded I got a jones for dollars  
And if you know what I know you'll say "those niggas hit  
the hardest"  
Roll with known robbers but still burn scholar  
With PhDs my degrees is 360  
Merked off in the zero that follows the fifty  
I believe I can fly even higher than these trees get me  
I brought the desert E's with me  
With more clips than a bag of roaches  
I'm mad explosive  
Keep watchin' y'all fowl like judges in boxin'  
Out fox'em you better hold your head it's not an option  
Exel on the spot  
You're shell shocked  
I show niggas first it was catch and kiss  
Now nigga catch a dick  
Like 62 grams I flip quick

A brick couldn't slow me down  
Cause only I hold me down  
Now these hoes Change Faces  
They wanna stroke me now  
Cause they know it's me but next move it's get O.U.T.
