Hold on tight through this ride
(Yeah)
I can't see the light
(Ohh)
I can see you running from your past
But it'll always come to last
Whenever I close my eyes

And I know that we've been true
To all the things we knew
(Oh)
And the pain I've put you through
Baby I, I just really care for you
(Oh)

All gone inside, feeling empty
All gone but pride
I've got you baby
I never thought I'd be alone
Untill you came and saved my soul
But now the time has past me by
But you girl your laugh would make me smile
Step back to a place unknown, to a place unknown

And I know that we've been true
To all the things we knew
(Oh)
And the pain I've put you through
Baby I, I just really care for you

So I looked into gods eyes
And he said son it's alright,
It's alright
But forgive my sins tonight
And I shall never tell a lie
Tell a lie

And I know that we've been true
To all the things we knew
(Oh)
And the pain I've put you through

Baby I, I just really care for you
(Oh)
