Your everything I though of
Every moment above the time
Cos' your everything to me

I might not even know your name
But I never thought you where the same
But girl, your the only one I dream

Cos' I never though that maybe girl, this would work out
with me
But every time you smile, it makes me go crazy.
Girl (x3)
Girl, your amazing.

Don't treat this as yesterday
Cos' yesterday aint now
Your just the face of a beautiful dream
I never thought that I would say this
But baby girl, I'm starting to believe
That we, were mean't to be

Cos' I never though that maybe girl, this would work out
with me
But every time you smile, it makes me go crazy.
Girl (x3)
Girl, your amazing.

So we take it down slow
And I look into your eyes
And I tell you, I love you
Cos' your the thought at the end of the day

Cos' I never though that maybe girl, this would work out
with me
But every time you smile, it makes me go crazy.
Girl (x3)

Cos' I never though that maybe girl, this would work out
with me
But every time you smile, it makes me go crazy.
Girl (x3)

Girl, your amazing.
