187, gang related, I'm accused
And after every court date my face is on the news
They say I wrote a song about a murder
I maintain my innocence, it's nothing but a coincidence
I'll admit it looks kind of shadey
from the outside looking in
The situation is serious but people don't comprehend
I was 17 years young back in '92
Facing 25 to life for something I didn't do
My song is supposed to be a big admission on my part
And they're using the lyrics against me when my trial
gets ready to start
My songs are being misinterpreted
It ain't nothing but the D.A. trying to prove
premeditated
They've got X-Raided stuck, majorly crossed up
The D.A. got a fucked up witness and my lawyer is a
dump truck
I've been sitting in the county, three years have already
went by
They're pressuring my Locs, trying to get them to
testify
Snitching ain't no joke, it's hazardous to your health
When you point one finger at me, you're pointing three
back at yourself
My homies got convicted for murder in the first degree
Ain't no doubt about it, they'll try to do worse to me
They take me in the court room in front of an all white
jury
With the family looking me with barely concealed fury
My lawyer standing next to me, prepared to represent
And help me get convicted cause to him
I'm guilty till proven innocent...

Why they trying to give me deuce-5 to life?
They trying to give me 25 to life cause I'm guilty till
proven innocent...

I open up the front page of the Sacramento Bee
And read the article that Dan McGrath wrote about me
He has his own opinion and it's his job to write it

I say he's being biased and completely one sided
The media write their stories for the public to consume
And any chance I have of getting a fair trial in Sac is
doomed
Any potential jurors mind is being contaminated
From reading all the bull they wrote about X-Raided
I never told anybody to go out kill somebody's folks
And blaming it all on me and
a song I wrote is a complete joke
They're looking for a move but they're looking in the
dark
Putting a noose around my neck and a bullet in my
heart
Just because I'm capable of killing doesn't mean I kill
And just because I'm capable of killing doesn't mean I
will
I wish they all knew, how can I make you feel me?
X-Raided didn't do it but I've gotta ride cause I'm guilty
till proven innocent...

Why they trying to give me deuce-5 to life?
They trying to give me 25 to life cause I'm guilty till
proven innocent...

I'm knowing I'm going to end up in the pen
Fighting my appeal and hoping that I win
It's me and Baby Bread fighting this fucked up case
Like Dooney and B-Dub trying to get these years
erased
In Sac there ain't no love when you're from the Garden
Blocc
Maniac, C-Mooney, Baby Snake and Lil' Venom already
got washed
I'm trying to keep my head up but my load is getting
heavy
It makes me want to do like Sicx: take some Tylenol
and get it over with
But instead I just maintain and do everything to keep
my composure
Representing the Blocc to the fullest and riding like a
soldier
I told you fools the X-Loc ain't going out like the
average
I didn't kill your folks but if you run up then I gotta loc
up like a savage
On that ass, bitch, it ain't nothing personal thang, it's
just about survival
And I'm going to be 125 years old before I die
if I can help it
You made your threats and I felt it but I ain't dead yet
So you niggas talking about

what you're going to do when you see me
I'll be on the weights, wearing state boots and a beanie
I wish I didn't have to be this way but it's reality
So I'm strapped based on the fact
I'm guilty till proven innocent...

Why they trying to give me deuce-5 to life?
They trying to give me 25 to life
cause I'm guilty till proven innocent...
