I walk the world on insect legs beneath an unforgiving
sun
Eat the dirt throughout my days On the dirt and dirt I
come undone
Messiah born in Bethlehem won't find me lying there
The world's too big for him to see me or hear the things
I've said
Hold me to you as I pray, Take the rest of the world
away
My blood runs warm because of you, The scales fall out
of my eyes
I laughed in the keep of a man with a rose my
mandibles are caked in trash
Thought you wouldn't recognize me, in the black of
soot and ash
Don't turn deaf into my voice, but one thing I want you
to know:
I have always loved you though my life has never said
so
Hold me to you as I pray, Take the rest of the world
away
My blood runs warm because of you, The scales fall out
of my eyes
Hold me to you as I pray, Take every other thing away
My heart is breaking out for you, The scales are out of
my eyes

I love you Lord, and I lift my voice
To worship you, Oh, my soul rejoice
Take joy my King in what you hear
May it be a sweet, sweet sound in your ear
