Timoti he know he got that boo to make you move(x2)  
Now make you move. Make you move

You like the way I got you on the mad  
Sexy motherfucker, girl, you're hot, damn!  
You like the way I got you on the mad  
Watch the way I put your mind and body on trance.

Come on, girl, give me the go  
I won't leave you alone  
I'm so ready to blow  
You, hot girl, got damn.

Give it to me, don't be scared, 'cause it's going down  
I see your curves, sexy, sexy, you're so nice around,  
What's your name, what's your number once I lay you  
down  
You can drop it to the floor, baby, drop it down.

I'm gonna make you love me, trust me, boy, I'll make  
you love me.  
I'm gonna do you so good, trust me, girl, I'll make you  
love me.  
I'm gonna make you love me, trust me, boy, I'll make  
you love me.  
I'm gonna do you so good, trust me, girl, I'll make you  
love me.

Come on, girl, give me the go  
I won't leave you alone  
I'm so ready to blow  
You, hot girl, got damn.

You like the way I got you on the mad  
Sexy motherfucker, girl, you're hot, damn!  
You like the way I got you on the mad  
Watch the way I put your mind and body on trance.

I'm gonna make you love me, trust me, boy, I'll make  
you love me.  
I'm gonna do you so good, trust me, girl, I'll make you

love me.  
I'm gonna make you love me, trust me, boy, I'll make  
you love me.  
I'm gonna do you so good, trust me, girl, I'll make you  
love me.

Come on, girl, give me the go  
I won't leave you alone  
I'm so ready to blow  
You, hot girl, got damn.

You like the way I got you on the mad  
Sexy motherfucker, girl, you're hot, damn!  
You like the way I got you on the mad  
Watch the way I put your mind and body on trance.

I'm gonna make you love me, trust me, boy, I'll make  
you love me.  
I'm gonna do you so good, trust me, girl, I'll make you  
love me.  
I'm gonna make you love me, trust me, boy, I'll make  
you love me.  
I'm gonna do you so good, trust me, girl, I'll make you  
love me.

Damn, hot girl got damn.
