You can have my heart  
Though it isn't new  
It's been used and broken  
And it only comes in blue  
It's been down a long  
And it got dirty on the way  
If I give it to You, will You make it clean  
And wash the shame away  
You can have my heart  
If You don't mind broken things  
You can have my life  
If You don't mind these tears  
So I give these pieces all to You  
If You want it, You can have my heart  
So beyond repair  
Nothing I could do  
I tried to fix it myself but it only worse  
When I got through
