### "By My Spirit"

Not by might  
Not by power  
But by my spirit says the Lord  
(Repeat)  
Sometimes fears can hide your vision  
The loss of purpose chains you down  
You think I've forgotten all you're dreaming of  
But how could I forget the one I love?  
These mountains shall be removed  
I'll build My temple in you  
And what I've promised shall be done  
I can see your heart is tired  
And your courage has worn thin  
You wonder how long you will have to hang on  
But when My love comes in, you'll be strong again
