### "Color My World"

You'll never see a dark cloud hanging 'round me  
Now there is only blue sky to surround me  
There's never been a gray day since You found me  
Everything You touch is turning to gold  
So You can color my world with sunshine yellow each  
day  
Oh, You can color my world with happiness all the way  
Just take the green from the grass  
And the blue from the sky up above  
And if You color my world just paint it with Your love  
Just color my world  
Just as long as I know You're thinking of me  
There'll be a rainbow up above me  
Now I found the One who really loves me  
Everything You touch is turning to gold  
Sunshine yellow, orange blossom  
Laughing faces everywhere
