In the darkness I can see You
In the silence I can hear You loud and clear
Loud and clear
In my weakness You are strongest
When I'm all alone
I know that You are here
You are here
With faithful love You rescue me
And quickly You become my
Everything
The beginning and the end of me
Living water, Holy Father
Everything that makes my life complete
Everything
In a whisper You speak loudest
With a gentle hand
Somehow You pull me through
You pull me through
My mind begins to question
And I always find the answers lie in You
They lie in You
You're spirit breathing, moving me
The essence of my soul, my
