Someday I'll let you in  
Treat you right  
Drive you outta your mind ooh

You never met a chick like me  
Burn so bright  
I'm gonna make you bli-i-ind

Always want whatcha can't have  
Isn't so bad if you don't get whatcha wanted  
Make you feel good as I'm with you  
Wanna shape ya boy let's get it started

Give it up you can't win  
'Cause I know where you've been  
Such a shame you don't put up a fi-i-ight  
It's a game that we play at the end of the ni-ight  
It's the same old story butcha never get it right  
Give it up  
Come a little closer baby, baby  
Come a little closer x2 Baby, baby

So stop tryin' to walk away  
No you won't, ever leave me behi-i-ind nooo  
You better believe that I'm here to stay that's right  
'Cause you're the shade and I'm the sunshine ohhh

Look at me boy 'cause I got you where I want you  
Isn't it so exciting  
Wanna shake you, wanna break you  
Take a backseat boy 'cause now I'm drivin'

Give it up you can't win  
'Cause I know where you've been  
Such a shame you don't put up a fi-i-ight  
It's a game that we play at the end of the ni-ight  
It's the same old story butcha never get it right  
Give it up  
Aohhh yeahha ohhh heyyy  
Hey yay yay yay yeaaahhoooh

Come a little closer, come a little closer baby, baby x2  
Come a little closer x2 baby  
Yeah you are my baby and I'll make you crazy toni-i-i-  
ight

Look at me boy 'cause I got you where I want you  
Isn't it so exciting  
Wanna shake you, wanna break you  
Take a backseat boy 'cause now I'm drivin'

Give it up, you can't win  
'Cause I know where you've been  
Such a shame you don't put up a fi-i-ight  
It's a game that we play at the end of the ni-ight  
It's the same old story but you never get it right  
Give it u-u-u-u-u-u-up woohooo yeah!
