"Hope For The Hopeless"

Visit "[Hope For The Hopeless](#)" on MotoLyrics.com

When hearts start to break
And emotions run wild
When it's all you can do
Just to paint on a smile
When tears start to flow
Down the lines on your face
You may feel there's no mercy
But don't give up on grace
There's hope for the hopeless
There is no need to fear
When all seems lost
Jesus is here
There is joy in the morning
You can find happiness
If you look to the Lord
There is hope
There is hope for the hopeless
In a world full of pain
You can never escape
You can run from your fears
But they'll keep up the pace
And just when it seems
That the race will not end
You will come to a place
Where the healing begins
