On the first page of our story
The future seemed so bright
Then this thing turned out so evil
Don't know why I'm still surprised

Even Angels have their wicked schemes
And you take that to new extremes
But you'll always be my hero
Even though you've lost you're mind

Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
Ohh I love the way you lie

Now there's gravel in our voices
Glass is shattered from the fight
In this tug of war you'll always win
Even when I'm right

'Cause you feed me fables from your head
With violent words and empty threats
And it's sick that all these battles
Are what keeps me satisfied

Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
Ohh I love the way you lie

So maybe I'm a masochist
I try to run but I don't wanna ever leave
'Til these walls are goin' up
In smoke with all our memories

Just gonna stand there and watch me burn
But that's alright because I like the way it hurts

Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
Ohh I love the way you lie.
