I know the promises, what He said  
When I'm weak, He'll be strong  
And on those days when I find that I am  
Losing ground on the road so long  
It's hard for me to comprehend  
That He is safely leading me  
It's hard for me to understand  
Just what He wants me to be, so...  
Pray for me  
'Cause sometimes I think that I'm just too weak to take it  
Oh, pray for me  
'Cause some days I don't have the strength I need to  
make it  
Oh, won't you pray for me  
Oh, please pray for me  
I know there may be trouble  
Around every corner now  
But I've been told that Jesus  
Is gonna get me through somehow  
I need to see His hand reaching out  
When I'm leaning toward a fall  
I need to hear His words of hope  
When I have no hope at all, so...  
I know I don't deserve anything He has to give  
But I know unless I learn to accept His love  
I'll never really live, so...
