I will keep on climbing, I am almost there!  
I will keep on fighting against the feelings of  
corruption!  
There was once a time where I was down in the dumps!  
And now my chances are limitless, I have the chance to  
take it further!

Fighting against temptations of corruption!  
Try to let go, let go of all the demons!  
[x2]

I need to stop reaching higher before it ends up taking  
me!  
Drowning me in deeper water I need to set myself free!  
I need to let go of the demons, I need to be content!  
And now I have my chance, I'll show that I'm the best!

Fighting against temptations of corruption!  
Try to let go, let go of all the demons!  
[x2]

Sooner or later, this may just take me in!  
I know that I can be stronger, I may just need my  
friends!  
I will need the ones I love to help keep me grounded!  
I won't just float away, if you can keep me grounded!  
Sooner or later this may consume me!  
I know that I am stronger if you can just help me!

I know I won't float away!  
So please just hear the words I say!  
I will need the ones I love!  
I will need the ones I love!

I know I will stay grounded, I know I will!  
I know I will stay grounded, I know I will stay grounded!  
I will need the ones I love, I know I will stay grounded!  
I will need the ones I love, I know I will stay grounded!
