Overwhelmed by the thought of what's in front of me!
Overwhelmed that I've been given my chance to show
the world!

I know that I will find the strength to conquer!
I know that I have the will to accomplish!

I've wasted days watching undeserving beings carried
I know that I will show that I'm deserving

I know that I... will show the world... that I'm deserving!
That I'm deserving!

And when the judging eyes are set to cast right over
me

I will show them all just why I've been given this
opportunity

I've proven myself time and time again!
To be given a chance to show that I'm deserving!

I've wasted days watching undeserving beings carried
I know that I will show that I'm deserving

And when it comes to being judged, I know that I'm
deserving

And when they say I'm not enough, I know that I'm
deserving

I know that I'm deserving

And when it comes to being judged, I know that I'm
deserving!

And when they say I'm not enough, I know that I'm
deserving!

[x2]

And now I can show you just what I'm going to do!
And that is show the world, show them that I'm
deserving!

I will show at first glance that these are my fixations!
I've been given a chance, to stand on strong
foundations!
