In your name
Victory is ours
Gather us to your heart
Wash the vengeance from my sword
For I am home
For I am home

Glory, fly the banners high

Glory, rend the day with your victory cry

Glory, fly the banners high

Glory, rend the day with your victory

Consumed in the fire of your wrath
We scattered there bodies far and wide
Lead the righteous to war
And the rest to their graves
Vindication is your name

Glory, fly the banners high

Glory, rend the day with your victory cry

Glory, fly the banners high

Glory, rend the day with your victory

Glory, fly the banners high

Glory,

Glory, fly the banners high

Glory, rend the day with your victory

Glory, fly the banners high

Glory, rend the day with your victory
