Your body's lookin' so fine girl, so baby walk this way
Come to check out all my lines girl, sure that I can
make you pay
Come and talk for a minute and I can surely make you
smile
Then you can jump right in it, I know I've heard it for
awhile

[Chorus: Jodeci & Missy x2]

Girl I'm ready (Girl I'm ready)
To get nasty (Wanna get nasty)
Said you wanna get freaky
But are you ready to get sweaty (HUH! SO KEEP IT
GOIN')

[DeVante & Jo-Jo]

I'll make ya, sweaty
Girl I'll make ya, sweaty

Girl I'll make ya, sweaty

[K-Ci]

Ooh, I know you like to have fun girl, I know you like to catch vet

You know that I'll be the one girl to make you love the sex

I'll give you all that you can take girl, if you go all the way

We don't ever have to break girl, cause I ain't hit you all day

[Chorus x2]

[Jodeci]

You can come play for awhile, for awhile, for awhile

Girl I know you will sweat my style, sweat my style

You can come play for awhile, for awhile

Girl I know you'll leave with a smile

[Chorus x2]
